## Administration's Message

Dear Residents:

It was a beautiful day in the park on Saturday, July 10; the rain had stopped and the sun was shining brightly. What really made this such a special day was that residents came out to beautify Blackhawk Park. Several years ago the Indian Head Park Board established an Adopt-A-Spot Program. Over the years the Homeowners' Association and residents have beautified areas around the Village. The Village has been most appreciative of these endeavors. Recently, Celeste Gundlach and Carol Haynes submitted a proposal for enhancing the Blackhawk Park plantings in conjunction with the Adopt-A-Spot Program. The project will be done in stages with the help of volunteers and contributions. A check for \$100 was received from the Indian Head Park Woman's Club and some residents donated plantings. The Village would like to thank the following residents who gathered at the gazebo with their shovels, trowels and kneeling pads: Celeste Gundlach, Carol Haynes, Donna Gorecki, Kathi Graffam, Lisa Ranck, Nipp O'Neil, Elaine Terp, Karen Sendra, Susan Stonesypher, Cathy Lasky, Frank Accardi, Kathy G., Gertrude Siedlecki, Alberta Mytys and 10 year old Casey Moss. We also wish to thank Ed Santen, our Water/Public Works Superintendent, for all his advice and assistance. Numerous people walk the paths or enjoy just sitting on the benches and children play in the field. I applaud the efforts and hard work of these residents which made "Beautify Blackhawk Park" a huge success.

Not too long ago I took advantage of the Advisory Home Safety Inspection provided by Pleasantview Fire Protection District. This inspection is not subject to re-inspection unless requested. There is no charge for this service; the Fire Department is glad to help make your residence a safe place. The inspection includes the following: exterior, fireplace, heating equipment, hot water heater, electrical, fire safety precautions, appliances, kitchen safety and hazardous conditions such as cleaning materials and paint. Thanks to Fire Department representatives Dan Tholotowsky and Rick Danielson, I replaced the electrical wire in my garage that was not in a metal conduit and a flexible gas pipe connection to the furnace. They even returned to my home to install a fire extinguisher in my kitchen and replace old smoke detectors. Please take advantage of this wonderful service.

On September 18, the Village in conjunction with the Indian Head Park Heritage Foundation, will be hosting a "Foundation Day" at the Heritage Center from 12:00 noon to

3:00 p.m. There will be hot dogs and hamburgers, chips, soda and ice cream. The cost will be \$5 per person; children 12 years old and under will be free. At 3:30 p.m. the Village will host a big band concert in Blackhawk Park. At the Heritage Center, there will be a tour of the building and a book signing of "Bingo's Blessings: the true story of a humble dog", written by Cathy Toland and illustrated by her mother, Arline Willard. Bingo will also be there to lend a paw. If we have other authors in the Village, please contact me at the Village Hall.

Most residents know that the Heritage Center houses our library, but many may not know that it can be used by residents for other purposes. The Cub Scouts meet once a month at the Center; the Acacia Book Club and the Indian Head Park Woman's Club have gathered here. It is a perfect place for outdoor wedding pictures. Please contact the Village if you are interested in holding a small gathering at the Heritage Center.

The Indian Head Park Aging Well Initiative Committee will be hosting a second Town Hall Meeting in the fall. At a recent meeting, it was announced that Highland School teachers and staff are interested in intergenerational activities to enhance both the education of their students and Village interest. They have offered the hallways of the school for morning walking and a tutoring program for students using volunteer seniors has been started. Anyone interested should contact the school.

On June 23, Wayne Grane, Director of Administration and Public Safety, and I attended a meeting of the IRMA (Intergovernmental Risk Management Agency) Board of Directors to receive a plaque and a check for \$1,500 for achieving the "2003 Excellence in Public Risk Management" Award. The monetary award is to be utilized for the furtherance of our risk management program and shared with our employees for safety/protective equipment, additional risk management/safety training and application towards the cost of a health and wellness program. Congratulations to our Indian Head Park employees.

The Mayor and Village Board of Trustees extend their deepest sympathy to the family of James Royer who recently passed away on June 21. Mr. Royer was a former

### ADOPT A SPOT Beautify Blackhawk Park

On Saturday, July 10th many Village residents devoted the morning to weeding, planting and trimming in Blackhawk Park near the gazebo area. Many thanks to the efforts of volunteers who participated. The Adopt-A-Spot Program makes it possible for volunteers to select a Village planting area and assume the responsibility for its care and maintenance. The gazebo planting area is quite large and requires routine maintenance. Many people walk the park daily and sit on the benches. Children of all ages play in the field. If you and/or a friend/s would be interested in adopting a spot in the gazebo planting area or another location in Blackhawk Park, please call Celeste Gundlach at 246-5841 or Carol Haynes at 246-3494. Many thanks to Superintendent Ed Santen and his crews for their assistance as well as the Indian Head Park Woman's Club who made a generous donation to beautify the park.

## From the Chief's Office

Just a reminder to keep your car doors locked and do not leave valuables or packages in your vehicle that are visible. Remember the old adage "locks keep the honest folk honest"? Well it is as true today as ever. Recently, we had a neighbor who left her purse with a wallet and cellular phone on the front seat of her car, unlocked with the windows down. When she returned to the vehicle after visiting one of the local stores for a short time, everything was gone! Most crime is a crime of opportunity, so please keep your vehicles locked and your valuables secure to deter crime.

DuPage County Major Crimes Task Force

Dear Mayor Pellegrino:

I wish to thank you for your community's support to Elmhurst's Police Chief Steve Neubauer's call for assistance. Friday evening, July 16, 2004, the Elmhurst community was facing a tragedy and serious threat to public safety warranting more attention than Elmhurst's own police department could hope to provide. Your community support, leveraged by the support of 72 other communities, is most sincerely appreciated. I am confident that the focused and timely response not only led to a quick arrest of the suspect, but also a thorough and effective gathering of evidence to support the State's Attorney who has charged the suspect with first degree murder.

Thank you again for your support. You can count on the City of Elmhurst Police Department to respond to your community should you call.

Very truly yours,

## NOTEWORTHY LETTER

June 8, 2004

Walgreen Company  
Mr. Edward H. King, Director  
Government and Community Relations  
Mail Stop#2255  
200 Wilmot Road  
Deerfield, Illinois 60015

Dear Mr. King:

As Village President/Mayor of the Village of Indian Head Park, I am excited about informing the Walgreen Company of a once in a life time opportunity for Walgreens to positively impact the west suburban geographic region. In this regard, it has been recently announced the Timber Trails Country Club located in unincorporated western Cook County consisting of one hundred and five (105) pristine rolling acreage and well over one thousand (1,000) mature trees will be sold at auction on August 17, 2004.

The subject property is bordered by the Village of Indian Head Park, Western Springs, the LaGrange Highlands, Hinsdale and in proximity to Burr Ridge and Willowbrook. Approximately four years ago, we in Indian Head Park were fortunate enough to have one of your retail outlets locate in our Village. Additionally, several of your other stores are located in the aforementioned communities. Specifically, the opening auction bid has been set by the present private sector owners at 15 million dollars. Bidding parameters have been estimated by real estate professionals to be in the 20 to 40 million dollar range.

Accordingly, it is the humble opinion of the undersigned that a company such as Walgreens with a reputation for responsiveness and reinvesting in its host communities would be an "appropriate stakeholder" to acquire the property and preserve the natural beauty of the landscape: with the consequence of facilitating the regional environment and quality of life. As such, a rare opportunity has manifested by which those of vision can protect an undeveloped sanctuary for this generation and for all generations to follow.

Lastly, should the Walgreen Company be disposed to acquire this property, it would be analogous to the generosity of other corporate leaders such as International Harvester who established a nature sanctuary called the "Katherine Legge Memorial Park" in the Village of Hinsdale and the Morton family who endowed the "Arboretum" in the Village of Lisle.

Your time and consideration is greatly appreciated. Should you need any additional data or wish to discuss this on a personal basis, please do not hesitate to contact me at (708) 246-3137.

Sincerely,  
Richard F. Pellegrino  
Mayor
